## MINISTRY UPDATE

### A PERSONAL MESSAGE

“Pray without ceasing.” Is there such an urgency? Yes and a thousand times yes! John Bunyan said, “Prayer is the shield to the soul, a delight to God, and a scourge to Satan.”

You just cannot estimate the eternal need and worth of the intercession you make on behalf of a missionary or pastor. Each month *The Voice in the Wilderness* lists requests for various projects and individuals. Your prayers and financial gifts mean so very much to these ministries. It may seem we say this over and over again, but we’re compelled to thank you for all you do in the Lord’s service. Some can physically go to a geographical location and serve, some can give of their resources to help others go, and then all can pray, but some can pray in a unique ministry of intercession that makes an eternal difference.

There are two times to pray: One-when you feel like it and two-when you don’t. “But we will give ourselves continually to prayer, and to the ministry of the word” Acts 6:4.

I am listing below names of individuals, some of which we have spoken of in the past, which need your prayers. We have been involved in different ways with these missionaries, pastors and their families. The needs of these individuals vary greatly, but they all have something in common—the need for your prayers and the desire to do a work for God.

*Pastor Eleazar*      *Pastor Estelvio*  
*Pastor June*        *Pastor Niller*  
*Pastor Samuel*     *Pastor Carlos*  
*Pastor Babu*        *Pastor Jose’*  
*Pastor Dayaraju*   *Pastor Anthony*  
*Pastor Nirmal*      *Pastor Engleberth*

We are making arrangements to send contributions toward the purchase of two motorbikes for pastors in Venezuela. These two preachers work for a motorbike taxi company, but do not own a vehicle themselves. They each are involved in the planting of a new church. If they owned their own motorbikes they could make a better wage plus use the bikes personally for their church ministry. It does get complicated sometimes-sending money outside the U.S. plus there is often a loss of value when the U.S. dollar is converted into another country’s currency. Pray with us that we can find a secure and economical means of moving funds to the missionary, as well as, getting the best exchange rates for our dollar.

We now have the Bibles for the preachers in the Philippines and Indonesia. Obviously Bibles and books are very heavy. I plan to take them on the plane with me and hope that we can travel light enough to have the Bibles included in our checked baggage. This is going to be a special treat and blessing for these pastors. Pray with us that all will arrive safely and then clear customs without any complications or extra charges.

*Pray for us!*
