FIRST IN FLIGHT

Have a Dream
 Think Outside the Box
 Solve the Unsolvable
 Reach High!

Dream:
 noun. \ˈdrēm \
 A strongly desired goal or purpose.

Wilbur and Orville Wright had a dream. They made it a reality by thinking outside the box. Pushing past failure. And believing in themselves.

What unsolvable problems can we solve?

What unreachable heights can we reach?

What impossible dream can you make possible?

"In countless generations of the conquest of the air by the brothers Wilbur and Orville Wright. Conquered by genius. Achieved by dauntless resolution and unshakable faith."

Who are these that fly as the clouds... Isa 60:8a

"The voice of one crying in the wilderness, Prepare ye the way of the Lord, make His paths straight." - Mark 1:3

Isa. 60:8a
First in Flight

Please take note of these key Scriptures I have chosen for our theme in 2021: Matthew 6:33 says, “But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.” Isaiah 40:31 states, “But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles...” Consider also Isaiah 60:8a, “Who are these that fly as a cloud...”

The child of God is to seek **first** the kingdom of God. The character and right doing is that of royal citizenship. This seeking is to be our passion and pursuit. The child of God’s life is in constant and continual seeking of the spiritual, and in so doing *righteousness*, God will provide the things, add the things that are needed. This is a package promise. As we wait upon the LORD, He renews, restores, revives, and resources our flight above the worldly cares of earthlings. We will mount up with wings as eagles and take flight above the fray of this worrisome world. Isaiah knew we could fly around the world (Isa. 40:22) before

these pseudo-scientist knew diddly about this globe. Why, the very conversion of our soul is flying as a cloud into the loving arms of the **Son Jesus** (Isa. 60:8a). Should we crawl in the dust and dirt of this care and corruption? No, we can fly! Soar high and swoop down to pick up the gold, silver, and precious stones instead of wallowing among wood, hay, and stubble.

Orville and Wilbur Wright had a dream. That dream took thinking outside the box, solving unsolvable problems and reaching unreachable heights. Just 66 years after their first flight, *Apollo 11* reached the moon. From Kitty Hawk to Tranquility Base the *Eagle* has landed. Fabric and wood pieces from the Wright Brothers 1903 plane flew with Neil Armstrong and Edwin “Buzz” Aldrin, Jr. aboard the Lunar Module *Eagle* that landed on the moon in 1969.

So how did they do that? I’m so glad you asked that question. The Wright Brothers had a dream of making the impossible possible. Inscribed on the Wright Brothers monument, Kitty Hawk, N.C., are these words, “In commemoration of the conquest of the air

by the brothers Wilbur and Orville Wright conceived by genius. Achieved by dauntless resolution and unconquerable faith.”

Do you have a dream? With your own dream and imagination ponder these “Wright Principles.”

From the windswept sands of the terrestrial, we can take the wings of eagles to spiritual heights. Our key verses give us direction for this incredible accomplishment.

“But seek ye first the kingdom of God, and His righteousness; and all these things shall be added unto you.” We must **seek first**. This is the first use of the phrase, “the kingdom of God.”

In Matthew 3 verse 2, we find the first use of the phrase, “the kingdom of heaven.” Our seeking of the kingdom involves the spiritual, physical, and the eternal. We cannot over emphasize, “seek ye first.”

“But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles...” Here is where we must strengthen our faith. The fastest you will ever run toward your dream is to wait upon the Lord. Faith comes by waiting on the Lord in His Word. There is no way to strengthen your faith apart from God’s Word.

“Who are these that fly as a cloud...” (Isa. 60:8a). Salvation is foundational. “Therefore leaving the principles of the doctrine of

Christ, let us go on unto perfection.” (Heb. 6:1).

The principles here are the beginnings (first). In the beginning God. We must get this **first**, right. “In the beginning was the Word.” These **firsts** are essential to Doctrine. Here is the Doctrine of Christ, the Logos, The Word. With these principles laid in foundation we move on to perfection. Today there is dearth of discernment and maturity in the church. Maybe, just maybe we have not flown into the Son and this self-will and flesh consumed by His Magnificent Radiance, Power, and Grace. It is told that as a test of worthiness the eagle holds its young up facing the sun. The bird that cannot stare into the sun but rather turns its eyes away are cast out of the nest.

Turn your eyes upon Jesus

Look full in his wonderful face

And the things of earth will grow strangely dim

In the light of his glory and grace.

Wright Principles

- The Wright Brothers **sharpened their skills**.
- **Believed** and **practiced** those skills.
- They **did not give up**.
- **Anticipated** set-backs.
- Make the “**Wright connections**” (people).
- Keep on **learning**.
- **Mitigate** risks—avoid danger that would keep you from going on toward your dream.
- **Overcome** challenges with **perseverance** and **humor**.
- **Read**, think, work and test.
- **Seek** advantages.
- **Think** outside the box.
- **Solve** your problems.
- Stay **balanced**, take **control**, and **responsibility**.

Update

The Theme For 2020 as you remember was "VISION 2020 - Seeing The Eternal." And did we ever! These are indeed perilous times and our LORD has been revealing HIS Eternal Truths if we will but see. By the way did you see through the Confusion and Corruption? Certainly God's grace versus government's gorging on its stolen power was apparent. I hope you saw the trick coming. Government may say "We forgive," but, believe me, corrupt government never forgets. They do no favors, no handouts without strings attached. As this treasonous takeover continues, they will be knocking on the church-house door to collect.

Christian Schools and accredited Christian Colleges will either pay up or shut down. But seeing the Eternal helped many to avoid that anti-christ trap. Without 2020 Vision government will take you farther than you want to go, keep you longer than you want to stay and cost you, Church, more than you can ever pay. But you saw it coming, right?

So here we are. If our LORD JESUS CHRIST did not return by the time this printed "Voice" arrives may 2021 give us fresh anointing for the battles ahead. This New Years Theme is "First in Flight." Please take time to read the enclosed challenge. GOD help us to seek FIRST Thy Kingdom. May we mount up with wings as eagles and soar to new heights for your honour, glory and praise. Amen!

For Christ and souls,

 Ronnie L. Williamson

Witness in Hindi

The distant whistle of the train caused Sundar's heart to jump and suddenly his mind raced out of control. Life flashed before him with dizzying recollection. Out of this valley would emerge either Life or Death. In just a few moments, Sundar Singh would either know TRUTH or meet Damnation beneath the grinding steel of a speeding train. No longer would he continue in this uncertainty, hopelessly groping through the dark maze of religion.

Follow the miraculous steps of Sundar Singh presented in a gripping novel-style certain to challenge your walk with Christ. In 2020, some 20 years after Dr. Williamson was introduced to this powerful story in India, the Lord gave opportunity to translate into Spanish and Hindi this unique witness. Above is pictured the English cover and a proof page in Hindi of the Sundar work. Please pray as we print and distribute this testimony, and if you have never read the account, request your own copy today!

When we cannot GO we SHIP!

We continue to receive specialized editions of John/Romans Scriptures. Pray as we organize new shipments. Your giving continues this needed witness in Venezuela.

The Mobile Bible Bag has been well-RECEIVED! This unique package filled with evangelistic teaching tools for children's ministry is an excellent witness tool for churches. Another Mobile Bible Bag is ready for shipping to a Bible Institute that trains hundreds of Christian workers. Will you help?

A recent Podcast issued the following Alert:

Already some have warned about saying 2021 will be better. Or they warned, at least, about saying 2021 can't get any worse. Watch out! 2020 was one for the books, but thank God we have the Book, God's Holy Book to stand upon. I used to say it hair-lipped the devil, but now it hair-lips a lot of preachers to say *the King James Bible*. So on January 1, 2020, and on January 1, 2021, God's preserved, pure, powerful Word the *King James Bible*, has not changed. The District of Corruption may change, your church, music, dress, way of doing worship, may change. You may even change Bibles, put a bunch of different Bibles on the screen, but God's Word is forever settled. God cannot lie. Stand on His Book in 2021! We've chosen as a theme for our ministry this year, **First in Flight**. Scripture says, "But seek ye first the Kingdom of God and His righteousness and all these things shall be added unto you." The child of God is to seek first the Kingdom of God - the character and right doing of that royal citizenship. This seeking first is to be our passion and pursuit, righteousness, and right-doing. If we will pursue that first, God's Kingdom, God will provide the resources that we need. This is a package deal - us seeking first the Kingdom of God and His righteousness - and God will add the things that we need. We can soar high above the fray and swoop down to pick up the gold and silver and precious stones instead of warring among the wood, hay, and stubble. Orville and Wilbur Wright had a dream. It took thinking outside the box, solving the unsolvable problems and reaching unreachable highs. Just 66 years after their first flight, *Apollo 11* reached the moon. From Kitty Hawk to Tranquility Base, the *Eagle* had landed. Fabric and wood pieces, from the Wright Brothers 1903 plane, flew with Neil Armstrong and Edwin Buzz Aldrin, Jr. aboard the lunar module *Eagle* that landed on the moon in 1969. From the earth to the moon in 1903 seemed impossible, but remember, child of God, in 2021 seek first the Kingdom of God and His righteousness and all these things shall be added onto you.

NEWS BITS FROM HERE AND THERE

A Year for the books - More political corruption and power grab, COVID 19, riots and death apply to 2020. It was a year of testing. Testing of families, Churches and a nation. I think it was a year of exposure. Governments may have mandated mask but in many ways corruption, collusion and confusion was laid bare for all that will see the TRUTH. Yes, a year for the books, but I'm glad to say we have GOD'S BOOK to stand upon and HIS BLESSED HOPE even in perilous times. I will not elaborate on the January 2021 cover of "National Geographic." But the magazine had to change photos of the statue of General Robert E. Lee because of vulgar defacing. Their policy would not allow 10 instances of vile profanity to be visible. The so called BLM crowd exposed themselves again when "National Geographic" could not print the work of BLM. Yes, the Truth is apparent for those willing to see. There's one for the books or magazine!

Another apostate "reverend" - The Deep State hole is beyond return as demonstrated during the opening prayer for the 117th Congress. Ordained United Methodist Representative Emanuel Cleaver(D-MO) prays in the name of Hindu deity evoking more evil and confusion upon an already ungodly bunch of baby killers. Is this "Amen and Awomen" blasphemy acceptable to the Congress that is running this country? Voter fraud and lying to the American people is nothing compared to denying and insulting the one True and Living God.

Sign on the dotted line - January 2021 and hooray for Government-don't-Care! Will, at last, hospitals be required to disclose privately negotiated charges with private health insurers? Maybe the patients can now know the cost of procedures before signing to pay. Surely that's the way reasonable people do business.

Dead people get money - Yep, that's our Federal government. They admit it with no embarrassment. COVID relief has sent money to, yes, dead people. And the living that deserve, have earned assistance but cannot get help until it's too late. All that bureaucracy and red tape keeps deserving individuals from receiving benefits promised because of faithful duty and service to this country. On through the fog.

Joe and Kamala...
Enough Said!

THE PRINCIPLE OF FIRST MENTION

The first book in the Bible, the Book of Beginnings, contains many “first mentions.” Obviously, that would be the case and should demand a serious and sincere study of each “first mention” of these vital subjects. Genesis chapter one and verse one may very well be one of the, if not the most read verses in the Old Testament. Some will say, “Oh no, preacher, John 3:16 has been read more than Genesis 1:1.” However, that is not my point of discussion here. I will emphatically state that nowhere in all of man’s religion and rumination is the absolute origin of the universe, space and time, by God’s special creation expounded and expanded. Space (the heaven), time (the beginning), and matter (the earth) are all “FIRSTS.” God mentions this “first.” Big Bang, evolutionism, paganism, pantheism, naturalism, nor any man-made godism (little “g”) gives the “first” *In the beginning GOD*. God said *Let there be light* not so HE could see what HE was doing, but graciously so we could see what GOD is doing. When Adam and Eve sinned against God, they fabricated skimpy fig-leaf aprons to cover their nakedness. The first man and the first woman are naked before God. Now in “first mention” God considers clothing so crucial and these fig-leaf aprons so useless that the “first” shedding of blood, the “first” physical death, the “first” substitutionary atonement, the “first” sacrifice of the innocent, is required to cover not partially but to completely cover their nakedness. God clothed them in coats of skins. Not fig-leaf bikinis, not bare-legged Bermudas, not

curse-hugging, sensual, man-made for lustful, almost naked, but “first”—innocent, blood-shedding, death inflicting atonement to cover their wicked nakedness. Mind you, nakedness that caused the pure, impeccable Lamb of God to hang naked on a tree that we might be clothed in HIS RIGHTEOUSNESS.

2021 may be the “First” time you consider this type of Bible Study. When God “first mentions” a subject in Scripture, He is giving the foundation of understanding. It is from this “First mention” God will guide us through REVELATION to make clear HIS mind on that specific subject. From “first mention,” context and through the whole of Scripture, the Holy Spirit will guide you into all Truth. Begin your study habits with these Scriptures:

John 16:13; II Tim. 2:15; Matt. 6:33

IS GOD’S WORK IN YOUR WILL?

“One of the most important documents a man ever signs is his Will. I can tell better what a man had in his heart by reading his Will than I can by reading his obituary. His obituary tells the world what his friends thought of him; his Will reveals what he had in his heart.” - A. M. Vollmer

For as (a man) thinketh in his heart, so is he - Proverbs 23:7.
Out of (the heart) are the issues of life - Proverbs 4:23.

Reading and Studying - Is it Lost?

Have you lost it? Did you ever have it? Can you develop it? The ability to read, and not just read, but read to study, read to comprehend, read to critique, read to learn has certainly revolutionized our created world. Satan himself attacked the perfect words of God in Genesis when he beguiled Eve. Those precious words of the Life-giver were penned and secured for all eternity with the direct warning in its conclusion to not “take away from the words of the book.” These very words, if read, studied, and shared can bring untold millions to everlasting salvation. The power of the most read, treasured and historically preserved Word has not only realized Heaven for every accepting man but secured freedom, morality, uprightness, integrity and countless characteristics in our own American homeland. For many in early history, the Bible was the only source for reading. Not only was it read, but memorized and employed. Its words established rudimentary education (*The New England Primer*) and its spirit and truth formed the great documents of our nation (*Mayflower Compact, Declaration, Preamble, Constitution*). These developments were influenced by one simple yet inherently important action - reading! Yet today, while reading still occurs prolifically, a simplistic strain has invaded the process. If 12 minutes per day completes reading the entire Bible in a year, why then have only 9% of Americans read the Bible and 50% of all “Christians” (a broad and inclusive categorization) admit to only having read little to none of the Bible? To have been the most formative foundation for persons and nations, why is it so neglected today? The Bible is available, now, not only in print, but in countless digital formats. The large King James Family Bibles are scarce, yet it can still be kept in the apron pocket as in days of old through tech devices. The average Christian living or devotional book may take 2.5 hours to read, but, in contrast, the American founders regularly consumed works such as Montesquieu’s *The Spirit of the Laws*, which would challenge the most ardent student over a twenty-four hour span. In this twenty-first century drive-thru, blog, and podcast era, the average attention span is a mere eight seconds. Blog readers typically scan an article for a short 15 seconds before skipping ahead. John Jay implored citizens to “read and to study the Constitution” so that they might know “when they [their rights] are violated and be the better prepared to defend and assert them.” The same warning must be lauded to believers today, not only for their Constitution, but also for those very Words of God. Read. Read substance. Read to learn. Study.
