MINISTRY UPDATE

Praise for 2011 - Prayer for 2012

Pray for us!

The Lord has been gracious to The Voice in the Wilderness family through 2011. We have rejoiced in the response to the 400th Anniversary celebration to the King James Bible. It has been my privilege to preach several meetings emphasizing the history and heritage of the KJB. It was a special blessing to participate in the Washington D.C. briefing on Capitol Hill and then return a month later for the KJB Expo in D.C. The response has been good to the Declaration and we were overwhelmed with the orders for the KJB Anniversary lapel pin.

There have been some good reports from many of the missionaries we have known over the years. However, as another year closes, several dear servants of the Lord have passed on and there is an urgent need to pray that young people will step up and fill the ranks of these that were called home.

Would you pray with us concerning our emphasis for 2012? We have written material for a study on The Ten Commandments. I believe these lessons will benefit in many ways. You can go online and print the first

lesson as well as view the outline for the entire upcoming series. One new lesson corresponding with each commandment will be posted every month in 2012. You can also request your own set of the new *Hall of Faith* collector series cards for this Ten Commandment study (visit www.thevoiceinthewilderness.org and click on *Twenty Twelve Ways* for more information.) It is amazing to see what God's Word has to say about God's law and the relationship of this law to our lives today.

On behalf of The Voice in the Wilderness, Steve and Rebekah Lilly, my wife and me, thank you so much for your faithful prayers and giving for 2011. It is our prayer that you will have a blessed Thanksgiving and Christmas season. Be certain to share Christ along the way as it does seem that many are more conscious of the name of Jesus at this time of year.

It's not too late to join us ...
