## MINISTRY UPDATE

### A PERSONAL MESSAGE

2013, according to the Chinese zodiac, is the year of the snake or "The Dragon in Heaven." While traveling to one of the churches where I was to preach in Venezuela, a huge sculpture was situated on the side of the highway. One of the gods worshipped there is depicted as a woman riding a beast. While preaching in Indiana last week, a very reliable source reported the marshalling of military forces in Israel. It seems there may be significant movement by Israeli forces. Revelation 17:3 says, "So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns." Some have said that the Iraqis are working on the restoration of Babylon with intentions of making it the center of Islamic power. Many of the world's religions are tied to ancient Babel religion. World events are certainly pointing to end time prophecy and the return of our Lord and Saviour Jesus Christ.

"And there was war in heav-

en: Michael and his angels fought against the dragon; and the dragon fought and his angels."

Lift up your eyes - why? The fields are white unto harvest and your redemption draweth nigh. Please pray for missionaries and pastors around the world as they preach and labour to win precious souls in this final hour. The Voice in the Wilderness needs your prayers as there are many opportunities, and we desire to be faithful.
